Dear Jarret Meeker Foundation,

The San Diego Zoo visited our school last week to perform a fabulous assembly on animal camouflage. The students were absolutely captivated by the excellent demonstration put on by the zoo. The demonstrators put on an excellent teaching lesson which allowed the students to interact with live animals as they learned why animals need to use camouflage to survive.

Naranca Elementary School would like to thank you for this wonderful opportunity. It was such a treasure to have the zoo visit us. Thank you for making that possible!

Sincerely,

Veronica Silva

4th grade teacher
